Re: Application No. 10/645,019
Title: Dry Ice Drinking Vessel
Inventors: Peter Nielsen

Dear Sirs,

Enclosed are the following:

1. "Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b)."
2. "Fee transmittal form for FY 2004" for the petition fee, along with a check in the petition fee amount of \$665.00.
3. A self-addressed itemized postcard.

On May 18, 2004 I submitted the issue fee for the above application in the amount of \$965.00 along with a petition to revive based on unavoidable delay, which petition was subsequently denied. On May 18, 2004, I also erroneously submitted a facsimile of a power of attorney from Harold Zenitsky. Mr. Zenitsky is not an "inventor" of the invention addressed by this application and the application will not be amended to add him as an inventor.

Very Truly Yours,

Robert J. Yarbrough
